Patient Financial Policy

Integrated Health and Wellness Center is committed to providing the best possible care and service to its patients. In order to do this efficiently and avoid confusion between patient and provider, we have adopted the following financial policies. Complete understanding of patient financial responsibilities is essential for both patient and provider.

Unless you, the patient or your health insurance carrier has made other arrangements in advance, full payment is due at the time of service.

Your Insurance

- We have made prior arrangements with many insurers and health plans to accept an assignment of benefits. This means that we will bill those plans, for which we have an agreement, and will only require you to pay the authorized copayment, co-insurance, or deductible at the time of service.
- If you have insurance coverage with a plan for which we do not have a prior agreement, we will prepare and submit the claim for you on an assigned basis. You will be responsible for your portion and also any payments your insurance may deny.
- In the event that your health plan determines a service to be "not covered," you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office. Outstanding balances that are past due will be forwarded to a collection agency.

Missed Appointments

- If you need to reschedule an appointment, we ask that you notify our office at least 24 hours prior to the appointment time. We reserve the right to charge a missed appointment fee of \$50 for each appointment that is not cancelled in a timely manner.

Returned Check Fee

- In the unlikely event that your check is returned for insufficient funds, you will be charged a \$30 handling fee in addition to the initial check amount.

Minor Patients

- For all services rendered to minor patients, the accompanying adult and/or legal guardian will be held responsible for the payment of the services provided.

By signing this form, I confirm that I have read and fully understand the terms of Integrated Health and Wellness Center's financial policy. I also understand that these policies are subject to change at any given time in the future.
